Psalm 115 says, "The Lord your God will increase you more and more". It's God's desire to continue to increase and bless you. But sometimes we can allow past hurts, pain and disappointments to limit what God wants to do in our lives. Well, it's time to let go of the old, to embrace the new! Why not start today? Jesus said "You can't put new wine in old wineskins". As you change your focus and expectations and realize God wants to do a new work in your life, you'll be launched into the abundant life He wants you to live!
